Bibles for kids!

The Children's Ministry Team is very excited to present bibles to our third graders. We realize that as a result of COVID there are many children who we have missed. As a result of that, we would like to offer bibles to any elementary student- third grade and above. If you would please send us your child's name so that we can inscribe their bibles, we would appreciate it. Please send your child's name to discipleship@calumc.org. We will present the bibles to the children on October 15th during the children's message. If you have any questions, please contact Nancy Mills.
