

POLICY ON MISSION TRIP/RETREAT DEPOSIT REFUNDS

When planning a youth retreat or a mission trip, Calvary UMC is required to send a deposit to the retreat center or the mission center that is hosting our youth and adults. The amount of the deposit is based on the number of youth who have signed up for the retreat/mission trip.

We are asking that each youth make a deposit and a commitment to attend these events during the registration period.

In the event that the youth chooses not to attend the event, the deposit amount is not refundable. The deposit amount is refundable in the case of illness on the part of the youth or a death in the family. Additionally, each case may reviewed by the Director of Youth Ministries, the Director of Discipleship and/or the Lead Pastor if the family or youth would like to discuss the possibility of a refund.
